Christina Harrison Promoted to Materials Manager For CDM Electronics

Turnersville, NJ, January 7, 2021... [CDM Electronics](http://www.cdmelectronics.com) has announced the promotion of Christina Harrison to Materials Manager at their Turnersville, NJ, global headquarters. In this new position Christina will draw upon her product knowledge and organizational abilities to establish Product Management departmental policies, goals, procedures and objectives. Christina will expand upon and strengthen CDM's relationship with their supplier base, along with monitoring daily departmental activities to assure an optimum customer experience. Christina joined CDM in 2012 as a Sales Assistant, was promoted in 2014 to Sales Representative and was most recently promoted to Product Manager in 2018. Christina's can-do attitude is part of her personality, as she was a champion track and field athlete for the University of Maryland and high school hall of fame inductee. Christina currently manages a youth football organization, and is a resident of Sicklerville, NJ, with her husband and three children.

About CDM

For over 25 years, [CDM Electronics](http://www.cdmelectronics.com) has delivered interconnect product and engineered cable assembly solutions to the world's leading aerospace, military, telecom, automotive, industrial, commercial, and alternative energy providers. Renowned for its unsurpassed levels of customer service and support, the company supplies Original Equipment Manufacturers (OEMs) with full lines of standard and specialty connectors including circular, Mil-Spec, DIN, power, PROFIBUS, rectangular, and RF devices. CDM employs documented and controlled systems in its value-added division, which specializes in mission critical [cable assembly](#), including [RF cable assembly](#), [military cable assembly](#), [power cable assembly](#), and box builds. The company's ISO and AS9100 Certified headquarters is in Turnersville, NJ. CDM maintains a regional office in Richardson, TX.
